LB 419, 870

SENATOR BOHLKE: ...cattle, and we support hogs. But also, I think we have to take in consideration the people who would want to have good information presented to them before a new facility is opened. Thank you.

SPEAKER KRISTENSEN: You've heard the closing. The question before the body is the adoption of the Bohlke amendment to LB 870. All those in favor vote aye; all those opposed vote nay. Have you all voted? Record.

CLERK: 17 ayes, 22 nays on the amendment, Mr. President.

SPEAKER KRISTENSEN: The amendment is not adopted. I raise the call. Items for the record, Mr. Clerk?

CLERK: Mr. President, very quickly. Thank you. Senator Coordsen, an amendment to LB 419; confirmation reports from Government, two different reports; appointment letters from the Governor; reference report, Mr. President, from Reference Committee; and a hearing notice from the Health and Human Services Committee. (Legislative Journal pages 2223-2225.)

Mr. President, next amendment to the bill. Senator Dierks, your floor amendment, Senator, we drafted this morning, FA237. (FA237, Legislative Journal page 2225.)

SPEAKER KRISTENSEN: Senator Dierks, you're recognized to open.

SENATOR DIERKS: Thank you, Mr. Speaker. The purpose of this amendment is to correct a mistake of yesterday on the amendment we had concerning composting. And Senator Beutler was...had an amendment to the amendment, and it is...in his discussion of that, he said we'd do this...we'd have to have the Department of Agriculture have rules and regulations in place by a date certain. And the date certain he said was December 1 of the year 2000. The date that was written on the amendment that he handed in was March 1, 2000. That was caught this morning by the Department of Agriculture, and they asked us to rectify that mistake, and this amendment of mine simply does that. It strikes "March 1, 2000", and places in its place "December 1, 2000". I'd appreciate your support. Thank you.
